- Get the discipline of a fixed schedule to keep you on track to pass.
- Interact with classmates and instructors for answers, motivation and the stimulation of preparing with others for a common goal.
- Plus, lecture CDs ensure you never fall behind if you miss a class and provides supplemental support on challenging topics.

You get the most instructor and peer interaction in live classes. Live classes are great for students who can attend class at the same time each week. If you tend to procrastinate, live classes are your best choice.
